Procedures To Close An Account

If you wish to close your account with Welcome Federal Credit Union, we must have your request in writing. We will need your current address, a forwarding address if applicable, your phone number, your account number, and your signature. Your signature will be matched to the signature we have on file for you before the account is closed. This method of closing accounts is to protect you from fraud or identity theft.

In closing your account, there are a few important items for your consideration:

- Once you're a member, you're always a member, unless you choose to close your account.
- We will not be able to process your request to close your account if you have a loan or checking account with us.
- If you are no longer in our field of membership, you will not be able to reopen an account with Welcome Federal Credit Union.
- If you remain in our field of membership, you will not be able to reopen an account with us for at least six (6) months from the date of the account closure.
- You will be charged a fee if you are closing your account within 90 days of the open date. The fee is disclosed in our Fee Schedule.

To proceed with closing your account, visit us, or mail or fax your request to the branch you normally use. Thank you for the privilege of allowing us to serve you.
